

The 3<sup>rd</sup> Annual

# Student Show of the Comic Arts

The Alaska Robotics Gallery recognizes that we have a community filled with people who love drawing and telling stories and we want to provide an opportunity to bring that interest to light through a student art show.

We invite all submissions of Comic Art from local students in K-12 grade. We're interpreting Comic Art in the broadest terms, this can be a character design, a paneled comic, a piece of fan art or something else entirely. The show should be considered non-competitive but we will be handing out several fun awards and prizes of recognition given by local comic artists (and some super-awesome professionals.)

**DUE DATE — April 1<sup>st</sup>, 2015**  
**SHOW DATE — First Friday,**  
**April 3<sup>rd</sup>, 2015**

Submissions must be ready to hang on the wall and accompanied by a submission form (available at Alaska Robotics).
