

Alaska Robotics Gallery

Student Show of the Comic Arts

Call for Submissions & Submission Form

The Alaska Robotics Gallery recognizes that we have a community filled with people who love drawing and telling stories and we want to provide an opportunity to bring that interest to light through a student art show.

We invite all submissions of Comic Art from local students in K-12 grade. We're interpreting Comic Art in the broadest terms, this can be a character design, a paneled comic, a piece of fan art or something else entirely. The show should be considered non-competitive but we will be handing out several fun awards and prizes of recognition given by local comic artists (and some super-awesome professionals.)

DUE DATE – April 1st, 2015
SHOW DATE – First Friday, April 3rd, 2015

Submissions must be ready to hang on the wall and accompanied by the following information:

First Name _____

Last Name _____

Grade _____

Title of Work _____

Price (or Not for Sale) _____

Please note, there is a gallery fee of 35% on any sales, so price accordingly if you wish to sell artwork.
